

LADIES BOWLS REPORT 2024

The Penylan Ladies welcomed eleven new members at the beginning of the 2024 Bowling season which consisted of a mixture of youth and maturity along with County and Welsh International players.

This excellent influx of new members very much helped strengthen the Ladies section.

The Ladies had their most memorable season in 2024 as they were runners up in the **P** team evening league and the **N team** took 3rd place in their evening league. The afternoon squad was also very successful securing 3rd place.

The Ladies section was formed in 1995 and this year we look forward to celebrating our 30th Anniversary.

Hopefully the Ladies section will continue to grow and attain more success in 2025 and future years.
