County Night is held at Cutnall Green Memorial Hall (7.15pm) and other events are held at Ombersley Memorial Hall unless otherwise stated.

County Night Events

Grand Prix Teams – 7 heats over the year starting on 2nd September 2019 with your best 5 results to count.

Phillipps Pairs - There are 15 qualifying heats this year from 3rd June 2019 to 16th March 2020. Each pair's best 8 results are used to calculate their score. The top 10 pairs qualify for the Phillipps Final on the 20th of April with a consolation event for everyone else. There are also prizes for the pairs with the highest average of their best 4 results in heats 4-9 & 10-15.

Pairs Ladder - 12 heats, with cross-imp (teams) scoring. Each pair's IMP total is converted to VPs and their best 7 results are used to calculate their score. Usually played as two Divisions with the 10 pairs who have the highest average score from their most recent 4 events playing in the 1st Division.

There are no hosts on the County Nights so you need to turn up as a pair or team. Requests for partners and teammates can be made using the Partnership Message Board on the website.
