## Committee Meeting Agenda Monday 21st March 2022

Agenda	Minutes	Action
Bank Account	On 28.2.22 HSBC balance was £755.64. Since then outgoings of £124.60 for the Bridgemate and £116.00 rent leaves a current balance of £515.04. This account will close on 8 <sup>th</sup> April. On 14.3.22 NatWest balance was £72.00. Thanks to Louise for organising the new account.	
Playing Room	Perry suggested we formalise the room preparation and clearing away by asking for volunteers but all agreed that this wasn't necessary as things seem to be working quite well as they are. When we move to the purple Room we will need extra help to move stuff down the corridor.  A decision was made to ask CCA if we can move permanently to the Purple Room and have cupboard space either there or in the corridor, from 12.45 – 16.30 on Mondays.	Louise
Dealing Machine	County Grants may be available from 7 <sup>th</sup> April which we could apply for if we choose to purchase a dealing machine. (They currently cost over £3,000.) Gloucester Bridge Club asked their members for private donations to support their purchase, with monies being paid back over three years.  What are the advantages of using a dealing machine? Better hands (debateable) and hands can be displayed on the website for players to analyse.  It was agreed to pay £15.00 for Glos to sort our boards for two weeks to see how they go down with the members, and to inform members prior to bridge today.  Members will be emailed individually to ask if they would like to make a loan to the club to finance a dealing machine when we know how much we need to raise.	Alan Alan Harold Alan
Directing and Scoring	We need more volunteers for both Directing and Scoring, Harold to announce today.	Harold
Collecting Fees	It was agreed that we will continue with the current system of cash on the day, which is currently working well.
