

Announcement of the Sam Ball Award Winner

Acknowledging Dedication and Service

It is with great pleasure that we announce the recipient of this year's Sam Ball Award. This prestigious award is presented to a player who has shown exceptional dedication and service to the Club.

The honouree for this year has been a bridge Club member for more than 11 years and served on the Committee during this period. He was instrumental in initiating and designing the bridge club webpage in collaboration with the RACV City Club. For over a decade, he monitored and updated the webpage, ensuring its relevance and accessibility, only handing over these responsibilities this year.

Beyond his technical contributions, he has been a staunch supporter of the Bridge Club and a regular attendee at our events. His commitment extends to capturing our cherished moments as the official photographer on numerous occasions.

The Club is proud to recognize and celebrate the unwavering dedication and contribution of Robert (Bob) Jacobs. His efforts have significantly enriched our community, and it is fitting that he is honoured with the Sam Ball Award this year.

Congratulations, Bob Jacobs!
