Do you know that Bill Gates and Warren Buffett play Bridge to stay mentally sharp? Come and learn the challenging brain game and mind sport with us!

The BridgeWhiz mission is to teach the great sport of bridge. Bridge is a trick-taking card game using a standard 52-card deck. In its basic format, it is played by four players in two competing partnerships, with partners sitting opposite each other around a table. Millions of people play bridge worldwide in clubs, tournaments, online and with friends at home, making it one of the world's most popular card games.

Having fun is our primary goal. The BridgeWhiz course is delivered in modules. The first module covers the topics of table logistic, Play of the Hand in Notrump and developing tricks using promotion, long suits and the finesse.

Welcome to the BridgeWhiz Winter 2025 Adult Beginner Module 1 - Play of the hand in Notrump. Your Live Session time is weekly at 4:00 PM PST- 5:30 PM PST, Friday.

Our first module is "Play of the Hand in Notrump" and will run for eight weeks not counting Holidays, starting **Friday, February 28, 2025**. At the completion of this module, you will have the opportunity to play in your first tournament. After the tournament Module 2, "Play of the hand with a Trump Suit" will begin. Module 2 will require a new registration.

The BridgeWhiz course is designed to maximize the time you have to play bridge deals and practice core concepts under the guidance of a Coach in the "Live" session. To achieve this optimization each BridgeWhiz lesson consists of "Static Content" and a "Live" session with a Coach. The "Static Content" consists of recordings that present the core bridge concepts you will be learning and practicing that week, lesson recaps, practice drills and other learning aids. This static content is available for your review at any time. It is essential that you watch the lesson recordings before the "Live" session because the "Live" session is structured to "learn by doing." If you have not watched the lesson recording, you will at a loss of what to do.

The 90 minute "Live" sessions are held weekly at the time and day of your registration. Session that fall on National Holidays are not held. These "Live" sessions are held on the SharkBridge platform, a virtual bridge card table. You do not need to set up an account with Shark Bridge. SharkBridge is accessed through your browser.

As Bridge players, we arrive early so we can start on time. Plan to join the "Live" session 10 minutes before the scheduled time.

Bridge is a game where success is based on cumulative knowledge, so it is important that you do not miss a class.

Pre-Class Activities - No need to wait to class to learn and have fun. Jump start your bridge knowledge with the app, "Tricky Bridge"

Log-in to your BridgeWhiz account. Navigate to the Basic Bridge Course. Open Pre-Class activities. Watch the video, read the lesson discussion. Then **download Tricky Bridge to your mobile device**. Let the fun begin.
