

Hi! My name's Josh, I'm 29 and I have been playing bridge for more than 10 years, and teaching bridge as my primary profession for more than 5 years, both online and face to face

I joined the Under 26 England Juniors in 2015 and represented the country in various events, both nationally and internationally. Some of the events I competed in were the EBU Premier League, the Junior Camrose, the National Swiss Pairs and Teams and the Spring Foursomes. I represented England in Latvia and Croatia. I've also played in various Spanish tournaments

I've only recently moved into Bury St. Edmunds, after living in Norton village, and Manchester before that, which is where I learnt to play and teach. I have over 7 years of experience teaching bridge. I started teaching evening bridge classes at Manchester Bridge Club; after completing my Club TD qualification I also ran a weekly duplicate for the club, and during Covid ran many events online. I currently teach privately online for individual students, groups, seminars and I direct for online tournaments.
