

# Allendale Bridge Club

## Membership Application

- By becoming a member of the Club you automatically become a member of the English Bridge Union (EBU). The EBU will receive your contact details and will send you a Welcome Pack.
- The Club undertakes to collect and use your personal data in compliance with the General Data Protection Regulation (GDPR). Our legal basis for processing this data is our legitimate interests as a bridge club. We use the data only for the normal purposes of operating a bridge club, including the administration of your membership, the communication of information and the organisation of events. This information will be recorded in our membership database, which is stored online in compliance with the GDPR. Our membership data is shared with the English Bridge Union, the governing body of the game of duplicate bridge, and they will pass it on to your “county of affiliation” which is usually the club’s primary county bridge association.
- A limited amount of your information (name, EBU number, county, post town) will be listed in the EBU’s database made available for use by scoring program providers and users. This is to allow the correct identification of players for scoring purposes. Information relating to your National Grading Scheme (NGS) grade and master point rank, together with your county of affiliation, will be generally available from the EBU website unless you have chosen for it to be private. You can do this by logging on to My EBU -> Account -> My Details at [www.ebu.co.uk/members](http://www.ebu.co.uk/members)
- Your data may be processed by Pianola/Bridgewebs/other organisations that act as Data Processors on our behalf. They may only use it for the specific purposes for which they act as our data processors and they are not free to pass this on to other organisations that are not connected with the Club.
- Your personal data is not passed on by us for use by any other third parties, whether or not connected with bridge, except as stated in the Club’s privacy notice, which is available on the Club’s website, [www.bridgewebs.com/allendale](http://www.bridgewebs.com/allendale)
