

BRIDGE

IT'S A BIG DEAL!

A Festival of Bridge

The English Bridge Union and Cancer Research UK are teaming up to raise awareness of bridge and funds for the charity. We, at Beckenham Bridge Club have put together a programme of events that we hope will entertain and raise funds.

Online with BBO

Sunday 8th September @1pm

National Handicap Pairs. £1 will be donated to Cancer Research from each player's entry fee.

Face to Face play

Monday 16th September @7pm

This event will comprise a full evening of bridge with a tea break when you will have an opportunity to enjoy a piece of cake (or 2) with your tea or coffee. We will be asking players to make a donation for the evening, with profits going to Cancer Research.

Face to Face Discovery and Play **Wednesday 11th September @8-10pm**

Open to all abilities or no ability at all, this event is an opportunity to find out a bit more about the game of bridge and our club. If you have never played before, you will have an opportunity to ask questions and have a go. If you already know the game, you can play a few boards and enjoy a relaxing evening of bridge.

WHERE: **Beckenham Methodist Church, Bromley Road, BR3 5JE**
