

On behalf of all of us at Velindre Cancer Centre, I'd like to thank you and everyone at Cardiff Bridge Club for organising the Annual Chairman Charity event and raffle Club in aid of our charity. Your fundraising efforts mean the absolute world to us!

Velindre, the 'Hospital of Hope', has been providing specialist treatment and supportive care to cancer patients and families for over 60 years. Money raised for us funds ground-breaking research and clinical trials, cutting edge treatments, specialist nurses, support services, therapies, equipment, and so much more which are 'above and beyond' those provided by the NHS. Your donations really do have a significant impact on patients and their families. More people than ever are living with cancer, but thanks to your help, survival rates have doubled in the last 40 years through better treatments and earlier detection.
