

**New App for signing up for events and communication with Bridge Center players!**

### Messages

Saves you time and reduces confusion by serving as a central place for all team communication.

### Schedules

No more guessing when and where games and practices are taking place. Includes reminders, maps, forecasts, and more.

### Instant Updates

Immediately notify your team of last minute changes: game time, location, cancellation, uniform, and more.

### Availability

Effortlessly find out who can attend a game, practice, meeting, or special event by sending out an availability request to your team.

**After you download the app, join CharlestonBridge (no need to search, just type it in the Group Code field). Add your information, and then tap the Charleston Bridge Center team. Tabs at the top are the message feed, calendar, pictures, members, and direct messaging. If you need help, contact Michelle Crivella, 856-430-5678.**
