

My report is very short this year, however I would like to thank everyone for supporting Chelmsford bridge club throughout the year, whether it has been on Mondays, Tuesdays or Fridays online or face to face on the second Friday of each month.

I would like to welcome June Brown to the committee say a big thank you to the committee for all the hard work they have done during the year making the club run smoothly. I would also like to welcome and thank Jill Collier and Jean Maker who have accepted nominations to join the committee next year.

As always, another big thank you goes to Audrey for running all the on-line sessions.

Valdie
