4. Dealing Machine Fund

The dealing machine fund has to date been managed by committee members of Lingwood Bridge Club. Due to the impending closure of Lingwood, we need to understand how it is planned for the fund to be managed in future.

Ted explained that the original contributors to the fund were Chelmsford, Alpha, Lingwood and Great Baddow TC Bridge Clubs. The originating clubs subsequently agreed to allow Danbury Bridge Circle to join. Alpha has closed, Lingwood will imminently close, and Great Baddow TC is now called Langdale. Danbury Bridge Circle and Langdale regularly make use of the dealing machine.

Valdie stated that even though Chelmsford BC does not currently make use of the dealing machine, it should be involved in any discussions and decisions regarding the fund.

It was agreed to continue discussion at the next committee meeting.

5. Christmas Event

To assist in selecting a date for the Christmas event, Valdie will check the December availability of the Millennium Centre.
