

Cheltenham Bridge Club CIO AGM 27 April 2024

Helen Bryant – standing for re-election as an independent charity trustee

I worked as a lawyer from 1978 to 2018 specialising in private trusts. During that time I was an active member of the Society for Trusts & Estates Practitioners (STEP), a voluntary organisation covering accountants, lawyers, bankers and charity professionals. From 2010 to 2014 I was Chair of STEP London Central Branch.

Having taken part in the drafting of the paperwork for CBC to become a charity in 2020-21, I was delighted to be elected as a trustee of CBC CIO in 2021 and have enjoyed all aspects of my role. The trustees' focus is on governance, risk and strategy, aiming to support and complement the hard work done by the Management Committee on operational matters. I would like to go on making my contribution to the present and future prosperity of CBC as an active and enthusiastic independent trustee.
