

**Unit 360 Board of Directors Meeting
10/21/2026**

The Board of Directors meeting was called to order by President Bob Wagstaff at 4:12 P.M. (Bob wore the same outfit he wore in July, except more sensible shoes.) Present were Bob, Vice President Mark Bishop, Treasurer Paul Gefreh, Brenda Bocek, Dave Loring, Ed Gardner, Claudia Busch Lee and Secretary, Ed Hill. Also present was E. Roger Williams.

September minutes were approved as amended to indicate that John's games would now require \$2 per person.

Roger described the Building Manager job as involving both indoor and outdoor activities. He plans to continue to perform outdoor activities, He plans to edit the list of indoor chores, hoping that another person (or persons) will accept this role.

Paul stated that the sewer line repairs have been completed and paid for, thanks to the generous donations from players: more than \$24,000 was collected in the 2 weeks following the sewer line break. The Board is both stunned and gratified by all who contributed to this and other Unit 360 building repairs this year.

Paul also stated that Jeff Rapp is auditing Unit expenses and has requested receipts for completed projects—the kitchen floor, the foundation stabilization, the sewer line, etc.

The Unit has fielded 2 A, 1 B, and 3 C level teams for the Front Range Challenge.

The Election Committee has completed ballots for the upcoming election, to be held November 16-30, this year. Options for online and paper ballots are being developed. An e-blast describing the candidates will be sent to each Unit member.

Bob noted the great job of marketing by Harold Donaldson, such that links to the Unit are making it into the *Gazette* and *Senior Beacon*. We may soon be voting for the "Best Bridge Club in Colorado Springs" as well.

The next issue of the *Kibitzer* will be available late November. Discussion ensued regarding the need to increase table counts as the only way to keep the Unit viable. Options for this included evening, Saturday afternoon, and online games. (It was noted that Phoebe is considering commencement of an online game.)

It was agreed that contributors to the Unit building funds for physical repairs be listed in the next *Kibitzer*. There have been numerous projects, and the Board thanks you for your prompt and generous contributions!

The meeting adjourned at 5:20 p.m.

Respectfully submitted,

Ed Hill, Unit 360 Secretary
