Coxley Bridge Club

Thursday 15th August 2024

Street Victoria Club Leigh Road Street BA16 0HB

We are proposing to arrange a Thursday afternoon summer event with an 'open' invite to all **Wells, Coxley and Street** Bridge players and really hope you will come along and enjoy a glass or two with light bites before the bridge session. **(1-00pm Start - Bridge from 1-30pm). Table money will be £3-00 as normal.**

The Bridge session will be arranged as a 'Swiss Pairs' event allowing players of all abilities to compete on a more level basis and the opportunity to win individual matches and prizes.'

In order to help us organise the event around a Swiss pairs session we will need to know exactly who will be coming along so that the bridge playing programme can be set up prior to the day. Ideally it would be helpful to let us know each pair playing together but this should not prohibit putting your name down to join us .If you are also a member of Coxley or Wells Bridge Club you only need to advise once to any of the club secretary's that you wish to come along.

Please advise christineharding102@gmail.com by 23rd July 2024

- A) If you wish to play
- B) Have a Partner
- C) Also if you feel unable to easily move from table to table please advise us in advance. *
- D) Maximum of 20 Tables (80 players) so first come first served

If you have already advised on attendance you do not need to reply to this email.

Thank you

Regards

Chris Harding

Secretary
