

Great Yarmouth Bridge Club.

Committee Meeting 15/04.2024

G.G.C. 17.30pm.

PresentSH., AT., CH., TH., LS.

Apologies NC arrived at 17.45pm

Minutes from previous meeting..... No Matters arising. Proposed by LS., 2nd AT.

Treasurers Report £4543.45 in the account. Awaiting outstanding bill for licence for the new tablets. SH will pass it on when he receives it.

G.Y. Bridge School. J.B., approached SH to ask if the club would play on the 6th May at Palm Court.

After discussion the agreement was a no from the committee.

SH will announce at start of play that the option is there if anyone wishes to play at Palm Court. Our bridge club will be playing as normal.

AT. or LS to collect monies from people as they come in. A table will be placed at the doorway to the dining room to facilitate this.

TH suggested we present RR with another gift voucher for his work for the club. This was agreed and CH suggested it be presented at the Summer Buffet Evening.

SH. Club numbers are rising , if we exceed over 12 tables of players then we may need to look to having a waiting list for people to join. At present 12 is the maximum tables we can fit into the room, and we have sufficient equipment for that number. The new licence now covers all the tablets from Ormesby as well.

We currently have 43 registered members in the club. It was agreed that with the summer coming up, table numbers will drop with holidays etc.

TH suggested we could look to cap numbers at 48 or 50.

Lowestoft Bridge Club will need to give us notice of how many will come over to play on bank holidays. Priority will be given to our members.

JH has offered to learn the how to set the laptop up for play etc.

July 1st is the provisional date for the summer buffet evening. CH to see the caterers re availability, prices, menu etc. As per our xmas night , small prizes will be awarded that evening.

No further Business Meeting closed at 17.50.

Next Meeting 3rd June 2024 at 17.30.
