

Supported by

2024 GUERNSEY BRIDGE CONGRESS

Monday 9th to Sunday 15th September
at Les Cotils – Harry Bound Room

Come and enjoy your Bridge. These competitions are open to all EBU members. We also encourage competitors from off-island. You can play in as many, or as few, of the various competitions as you wish.

For the first time we have a **Pre-Congress Festival Pairs** with a reduced entry fee for players of NGS 8 or below. We will be fund raising for the local branch of Cancer Research UK. So this is something a little different that is supporting a good cause. Come and have a taster!

NB Pre-booking is appreciated but you can also turn up on the day.

Further Congress competition details, the latest updates and the online entry form etc. are all available on the EBU's website - www.ebu.co.uk/competitions/guernsey-bridge-congress ..
