

A Bridge Event for Disaster Relief

Experience the Power of Giving

Play bridge, play for gold, play to aid disaster relief in North America

"Gold for Good: A Bridge Event for Disaster Relief" gives players the chance to support hurricane-affected communities in southeastern United States and have the chance to win gold masterpoints from their usual morning and afternoon session pair games -- whether at a club, or a sectional or regional.

Help Where It's Needed Most

Working in conjunction, the ACBL and the ACBL Charity Foundation will support [World Central Kitchen](#) and [Direct Relief](#). 100% of your \$30 registration fee – one each week you participate – will be donated to the cause. (The ACBL will cover any credit card fees.) Feel even more generous? You will be able to make additional donations. (This is coming soon.)

Go for Gold Points in All Morning and Afternoon Session Pair Games

Play in the morning and afternoon sessions during each of these weeks and be part of a larger event scored like a Side Series at a regional. The top player earns 20 gold points, and the top 25% of each pool ([further explained in the FAQ](#)) will also receive gold points.

There are two separate weeks of Gold for Good, each six days long. That's two chances to win! To qualify, you need to play in at least two sessions – (you can play in as many as six).

Any face-to-face pair game in a morning or afternoon session during the series dates counts, even special games. At least one game must be a face-to-face game. Only one face-to-face play per day will count. Games from Virtual Clubs and the ACBL Clubhouse will be averaged and considered as one result.

Event Weeks (Separate Events):

Week 1: December 9-14

Week 2: December 16-21
