

WINNING DECLARER PLAY

Power Up Your Bridge Game By Setting Up A Solid Foundation In Your Declarer Play

Are you are struggling with your play of the hands?
Still not making your Plan and counting winners and losers?
Is the reason for losing a trick or tricks still escaping you?
Scratch your head when you see players not taking their tricks when you grab
them and go down in your contracts while others make the contract?

Now Is Your Opportunity to Change

Become proficient in making a Plan.
Enjoy the confidence that comes from executing a multitude
of different finesses.
Learn how your long suits may break and how to set them up.
Also, the joy of eliminating those pesky losers.
