

Maitland Bridge Club Ltd

Life member Nomination

For

Jill Parsons

Jill joined Maitland Bridge Club in 2006 when we were playing at Lorn Bowling Club.

She was on the management committee from 2010 for 5 years.

Jill was secretary from 2010 – for 3 years.

Jill has been a club director since 2014 and is still an active director.

Jill has taken on the role of Stationary Manager since 2012 and still continues to do so. This includes keeping us stocked in Copy Paper, Bidding Pads, Pens, Paper Towels for toilets, sugar for kitchen etc.

Jill was also a very active part of the fundraising needed to help build the present clubhouse that we all enjoy. I believe some of the things she took part in were phone book deliveries, Cinema Nights, Dinner nights at Fay's house. She also helped cater for 2 congresses at the Senior Citizens Hall. Not to mention lots of other hard work.

Jill and Gary still are the main reason we have Saturday Bridge and it continues to be a lovely, relaxed, welcoming afternoon.

I therefore would like to propose life membership on Jill Parsons for her long term outstanding service to Maitland Bridge Club.
