

Midlands

Inter-county Mixed Teams

Saturday 6th July 2024

Starts at 14:00 (2pm)

Run on RealBridge

This event was first held last year and was very popular. It provides opportunities to get different partnerships engaged in representing their county.

The more teams a county has, the better chance the county has of winning (county score depends on their three highest placed teams). Each team must consist of two mixed pairs and the entry fee will be £12/team.

Entries may be made on the Midland Counties Congress website:-
