

## Report from the Membership And Communication Committee

10 03 2020

Current number of members is 535.

This year we welcomed 41 members plus another 42 Bridge For All students.

Just over fifty per cent of members have already renewed their membership for the current year. I have contacted the ten who have resigned since the renewal notice; none have expressed dissatisfaction with the club.

The website and newsletter have both become even more important during the current crisis and club closure. I am grateful to John F for keeping the website always relevant and informative and to Pat for the regular newsletters. Liza too contributes hugely to the website and the committee. Our toe remains dipped in the social media water.
