

Annual Memberships to TCCBC for 2025 – 2026

The annual membership for the TCCBC of 40 euro is now due. This membership runs from 1st April 2025 to March 31st 2026 . You will get an email from the TCCBC reminding you to pay and giving instructions on how to do this.

The system used to collect the membership is the Smartclub software system.

If you paid by cash/cheque last year not using Smartclub, we would appreciate if you could register on Smartclub this year so that all members and payments are recorded there. To register on Smartclub, you should reply to the email to say that you need to register and we will send you instructions on how to do it. Alternatively, you can text us at 0871618988 and we will help you with the registration and payment process.

If you don't receive an email from the TCCBC, then we probably don't have your latest email address. We would appreciate it very much if you get in touch and give it to us please so that we can get you registered on the system.

Contact details for the TCCBC are sec.tccbc@gmail.com or text to 0871618988

Note: The emails from TCCBC may go to the Spam folder in your email box so please check that.

Note: The annual membership will increase to 50 euro if it is not paid by 30th June 2025.

Thank you for your cooperation with this.
