

ATTENTION PLAYERS WITH LESS THAN 100 MASTERPOINTS

On behalf of The St. Petersburg Bridge Club, you are invited to participate in District 9 (Florida)'s **new nightly ONLINE 0-100 MasterPoint Limited Games at 7PM ET!** Games will continue to be held week nights (**Monday-Friday**) at 7PM and our club has opted to allow you to participate in all of them. These games are open to all players in the state of Florida, who have less than 100 MasterPoints, and whose clubs have opted to participate in them.

The game will consist of 12 boards played at a leisurely pace and is expected to be finished shortly after 8:30PM ET. Lynn Berg, who is a champion of beginning players, will be the host director in charge and will be supported by other world class directors who specialize in developing novice players.

Between 5PM and 6:45 PM ET, please log into BridgeBase.com and under "Play or Watch Bridge" click on "Competitive". Then select "ACBL Virtual Clubs". Look for DISTRICT 9 99ers Invitational Game. You will be able to register 2 hours before the game. If you have a partner, you register just like you do for our club's virtual games.

Since these games are open to all in Florida, it is expected that these games will be large. That is good news since that increases the number of MasterPoints that can be awarded. However, space is limited so don't wait too long to register.

Need a partner? Click on "Partnership Desk" at the top of the D9 Limited Invitational game page. Add your name to the list, so others can find you OR pick a partner from the existing list and "INVITE" them to pair with you.
