

# Patcham Bridge Club

## Free Bridge Taster Session

Thursday 12th September at 13:15

at the Patcham Community Centre

Have you ever considered learning to play bridge but are too nervous or shy to try?

Do you enjoy playing cards and wonder if you'd enjoy playing bridge?

Would you like to develop a new hobby which will keep your mind active

Perhaps you've recently retired and have more free time?

Would you like to make new friends and join a friendly and supportive Bridge Club?

Come along to our **free taster session**, enjoy a **tea, coffee** and **cake**, and we'll introduce you to our club, and give you the chance to play a simplified form of bridge. Please register your attendance by sending an email to [patchambridgeclub@gmail.com](mailto:patchambridgeclub@gmail.com) or just turn up on the day.

If you have already played some bridge and would like to improve or play more competitively, come along to our friendly sessions (with cake) on the first Thursday of the month.

So either come along to the taster session or send an email to [patchambridgeclub@gmail.com](mailto:patchambridgeclub@gmail.com)

Take a look at our website for more information:
