THE FINE PRINT

- ♣ All games award 80% Silver + 20% Black MPs at 100% Sectional rating. All games subject to sufficient entries.
- ♦ Stratification: none/1500/500 (Open pairs); 300/100/50 (299er pairs); based on average MPs. Stratification may be changed by the D-I-C. Teams consist of 4-6 players, all of whom must play in at least half the matches.
- ♥ Players need an ACBL # to play. Free memberships are available for non-members (contact the Club). Lapsed ACBL members add \$4 per session.
- ♠ If a player registers for a 299er session that is not held due to insufficient entries, that player has the option of playing in the Open session offered at the same time at no extra cost, or a refund. No individual player in a 299er game may have more than 300 MPs.

COVID protocols will comply with current KFLA Health Unit or ACBL directives.
