

## How to improve your Bridge using RealBridge Follow-up Practice Sessions (Preliminary draft issued 16 Feb 2025 – to be updated)

Our teaching is based on getting 'cards in hands' immediately after your lesson.

We do this by playing hands on RealBridge that relate to the lesson that you have learnt on Nofearbridge. These hands are accompanied by a Commentary that describes the correct bidding methodology. This means that you can return to RealBridge and set-up a playing sessions with 3 other u3a members of your Beginners Group. If you not already a member of your WhatsApp group, please apply here:
